

# ORONO MINNESOTA HAPPENINGS

October 2022  
Volume 1, Issue 4

Did you know that most invertebrates stay here in the winter? Mulching leaves is critical to preserving habitat for overwintering birds and insects. We can easily take steps to help them stay warm and safe. To learn more about what you can do to help invertebrates survive winter months visit:

## Recycling Reminders

- \* Recycling is every other Tuesday.
- \* Have your cart at the curb by 7:00 am.
- \* Single sort means do not use plastic bags.
- \* If you have a large amount of cardboard, it must be bundled into 3 feet by 3 feet by 16 inches bundles and set out next to your recycling cart. If possible try and fit the cardboard into your recycle cart.
